# FINALLY! A FUN FUNDRAISER

Let You're Fired show you how to put some real fun into your next fundraising event. Invite friends and family members to our awesome Paint Your Own Pottery & Mosaic Studio. They'll have a great time making cool stuff while also contributing to your cause. Here's how it works:

1. Set your date (fundraisers are held all day Friday, Saturday & Sunday on designated weekends. Call for availability.)
2. Fill in your dates then copy our flyer & post around your school.
3. Send students home with invitations. We recommend 4 sheets per student.
4. Join your friends & coworkers at You're Fired. Sip free hot coffee, tea & bottled water. Paint, laugh, talk & paint.
5. Deposit our check.

It's that easy! No complex forms to fill out, no bulky materials to handle. You're guaranteed a return of \$8 for each adult and \$6 for each child who participates. The enclosed package includes everything you need to pull off a full scale Paint-A-Thon!
